Sat 8 AM to 12 PM

LANDDescapes, is a full service landscape design and installation contracting service that specializes in all aspects of outdoor spaces and construction. From planting to lighting, no project is too small and everything we do provides our customers with practical, affordable solutions to any outdoor landscape needs for both new and renovation projects. We provide landscape support maintenance by offering seasonal pruning, clean-up and mulching services. We also design and manufacture our own custom landscape lighting and metal work for our clients and other contractors. Metal and stone garden art, custom fabricated fire pits, garden gates, privacy panels and sculptures are part of our "Elements" division that help make our projects truly unique and special to our clientele.

Iowa@WORK

has a federal grant that will reimburse employers for wages during a training period if an employer hires an eligible IOWA laid off worker.

Jobs need to be full time and permanent (not temp)...and pay \$10 or more. Most jobs qualify in complexity for 3 months... some as long as 6 months. Again, they must hire a laid off Iowa worker. Iowa@work can help with referrals or perhaps they have applicants already.

- 90% wage reimbursement For employers with 50 or fewer employees.
- 75% wage reimbursement for employers 51 to 249.
- 50% wage reimbursement for employers 250 or more.

Contact Iowa@work for more information.
